Initials	
	Statement 1: I have read or have had explained to the me the information contained in the Vaccine Information Fact Sheet for the COVID-19 vaccine. I have had the chance to ask questions that were answered to my satisfaction. I understand the benefits and risks of the vaccine(s) and request that the vaccine(s) indicated on this form be given to me or the person names on this health record for who I am authorized to make this request.
	Statement 2: I agree to allow the health care provider giving vaccinations to release information about all vaccinations given to me, or to the person for whom I am authorized to consent to, to the Arizona State Immunization Information System (ASIIS), other health care providers and schools in order to avoid receiving unnecessary vaccinations and to provide information about what immunizations have been received. I understand that I am not required to agree to the release of this information in order to receive the vaccinations I request.

** If I do not wish this record to be included in ASIIS, I have the option of crossing out the above boxed statement and initialing it. I understand that by making this decision, I (or my child) will not have access to their immunization records (in ASIIS) in the future for schools, college attendance, future jobs/employment, military, etc.

I am authorized and consent to administration of the Pfizer COVID-19 vaccine. I understand there is no guarantee that this vaccine will prevent my child/teen from contracting COVID-19. Desert Shores Pediatrics will bill my insurance for vaccine administration, if applicable, but this is a publicly funded vaccine and is available at no cost.
